President's Message

Dear community,

Here it is June already and tempus is fugiting. (Corny humor intended). Anyhow, now is the time for all good men and women to step up with servants hearts to consider serving as board members for CCTD. We need a President and Vice President to serve out two-year terms. Look into your hearts to hear God calling you as we need you if you desire to joyfully serve. We will have nominations and an election at our next secuela which is June 17th at Thomaston Covenant Church, 64 Grove Street at the corner of Grove and Clay in downtown Thomaston. Secuela starts at 630 and all members of the community are sincerely urged to attend. We will have a time of fellowship and refreshment with a lot of prayer, singing and joyful discussion. If you have never been, NOW is the time.

Our next board meeting is the following Monday June 20th at which time all the Pescadores are invited to meet for discussion of preparation for the Men's weekend October 6-9. Again, the meeting will start at the Covenant Church at 630 and again all are welcome and encouraged to attend.

On a joyful note, there was a weekend in May in Ukraine, which is a community where we have brothers and sisters. If a war zone can work for God, why not us? "For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." Ephesians 2:10.

“When the trumpets sounded, the army shouted, and at the sound of the trumpet, when the men gave a loud shout, the wall collapsed; so everyone charged straight in, and they took the city.”—Joshua 6:20

I hope to see you at both the secuela and secretariat.

Dave McClay

Interim President and Vice President

Men's # 60 October 6-9, 2022

Hello Pescadores,

The men's team is coming together person by person, However we need two more rollos to be covered CCIA and ENVIRONMENTS. We also need about four Auxiliary positions filled. For those that have not heard, the men's weekend is set for 6-9 October with team meetings in August and September exclusive of Labor Day weekend. We also want candidates to be signed up as we only have about four who said they want to go and we would like to have 18 if possible. Please ask members of your church to step up and contact me at 860-260-5929 phone or text, or contact Dave McClay as he is the Chief auxiliary. Also, it is time to make your presence at our monthly Secuelas, especially the team members.

DECOLORES, Nate

Outside Community Palanca

Acts 2:44 - “All who believed were together and had all things in common”

Please pray for our brothers and sisters in the Ukraine as they face grave circumstances this month and for years ahead.

Add them to your prayers for the weekends as they were a plant from our community

De Colores,

Dave McClay

Prayer Needs of Our Community

Please pray:

- For the members of the Board as they seek God's heart for this community over the next month - pray specifically for each by name.
- For the newest Pescadores, as they grow in their walk may they also stay in the community.
- For those asked to attend a weekend, that their hearts would be open.
- For wisdom to proceed in carrying out God's plans and visions for the future of Tres Dias.
- For the hearts of the inactive Pescadores that God is calling back to the community, that they would hear His call.
- For clear direction from God on how He would have each of us serve in this community and others.
- For the financial needs of Tres Dias.
- For International Tres Dias Leaders.

Please email Craig MacMillan if you would like to be a part of the Tres Dias prayer chain...

Reunion Groups

Are you in a Reunion Group? If not, grab a like-minded person or two, pick an hour and a place that works and start getting real. It takes time for trust to develop, but of this I KNOW: God will use that group in ways that will make your original Weekend, as powerful as it may have been, pale in comparison. The real work of progressive Sanctification is carried out in the Reunion Group. Don't miss out on this greater blessing. And don't leave yourself vulnerable to the persistent attacks of the enemy.

Reunion Group: A small group of Pescadores who meet periodically to minister to each other during their fourth day, using prayer, scripture, sharing, and open discussion of piety, study and action. (International Tres Dias)
